***Information Disclosure Statement***

The information disclosure statement filed June 7, 2006 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each cited foreign patent document; each non-patent literature publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. A copy of the publication WO 00/59804 was not provided and thus a line has been drawn through. Claims 3-5, 21 and 24 stand allowed as indicated in the previous Reasons for Allowance.
